

God's Love is Out of This World!

5...4...3...2...1... Blast off with the Character Focus team!

Your children will join the Character Focus team as astronauts exploring outer space. Through games, crafts, snacks, Bible stories, skits, object lessons, and songs, your children will learn that God is Creator, God has a plan for them, and God will help them fulfill His plan for their lives.

iSPY Preschool

In iSPY, the children will learn to spot God's greatness all around them. They will look for ways to thank God for the many blessings He has given them (their families, friends, home, school, and church). The children will learn to look for ways to show God they love Him by serving and loving one another.

Conference Information

In 2010, Character Focus is hosting conferences during special events such as the OCHEC Homeschool Convention and the Education Alliance Homeschool Convention. For a complete listing, visit us online at www.characterfocus.com.
