I. PRE-GRADUATION REQUIREMENTS AND PREPARATION

a. GRADUATE PARTICIPANT REQUIREMENTS:

In order to receive a diploma from The Education Alliance:

1. The student must be an Arkansas home school student and must be at least 16 years of age when they graduate, but not be older than 19 years of age at the beginning of the school year in which they graduate.
2. The graduate must be a current registered home school student and must provide a copy of their Notice of Intent to Home School along with all other required paperwork for graduation.
3. The graduate must have taken at least four courses within the last nine months as a home school student.
4. The student must have earned a minimum of *18 high school credits* (9th through 12th grade) in academic subjects. The credits must be high school courses not junior high courses.
5. Only current year seniors may participate in the ceremony.

If the graduate's parent believes that an exception needs to be made in their specific case, they must write out the reason(s) why and submit it to the steering committee. The steering committee will then determine whether or not an exception will be granted.

b. DIPLOMA:

Graduates will receive a diploma from The Education Alliance. They are (9 x 7) and come with a navy cover. There will be a space on the diploma for the signature of the home school parent(s).

Based on extenuating circumstances, The Education Alliance, reserves the right to deny a diploma to any applicant.

See section titled above "Graduate Participant Requirements", for specific requirements that must be met in order to receive a diploma from The Education Alliance. Please call Education Alliance at 501-978-5503 if you have questions.

c. TRANSCRIPT:

Education Alliance has received questions from colleges and potential employers about our prior graduates and we need information in our files about each graduate's education. Therefore, each graduate must submit a transcript in order to receive a diploma. A transcript consists of all the courses that the graduate completed during 9th through 12th grades. Beside each class, list the letter grade that was earned each semester.

An official transcript will be kept by Education Alliance on your student. You will be given one copy the day of graduation. If additional copies are needed, you will need to go online at <https://arkansashomeschool.org/> and make a request. Due to the high volume during graduation time, it might take longer to prepare the transcript. Please allow 3 to 4 weeks if additional copies are needed. Clearly mark the specific date the transcript is needed by if needed sooner.

The transcript should reflect only 9th through 12th grade courses. (Some 9th grade courses like Algebra I may be taken in the 8th grade, but it is still a 9th grade course.) To be eligible to graduate, the student must have earned a minimum of *18 high school credits* (9th through 12th grade) in academic subjects. The credits must be high school courses not junior high courses.

Please be advised that just because the student has earned enough credits to graduate from high school, he or she may NOT have all of the credits needed to gain **unconditional admission** to a college or university. Also, the student may NOT have the necessary credits to obtain a scholarship or other financial aid.

To obtain unconditional admission to a state supported college or university in Arkansas the high school student must have earned the following credits:

English – Four units with emphasis on writing skills, not to include courses in oral communications, journalism, drama or debate.

Natural Science – Three units, with laboratories, chosen from Physical Science, Biology, Chemistry, or Physics. Only one unit may come from a Life Science.

Mathematics – Four units, including Algebra I and II, Geometry, and an advanced math course.

Social Studies – Three units, including one of American History (does not include Contemporary American History), one of World History (not to include World Cultures, World Geography, or Global Studies), and at least one-half unit of Civics or American Government not to include courses in practical arts.)

These requirements frequently change. Updated requirements can be found on the Department of Higher Education website. See <https://www.adhe.edu/>

Please check with the college or university where the student is interested in attending to determine their specific requirements for admission and/or for scholarships and financial aid. Also, please be aware that more scholarships and financial aid are available for students immediately after their high school graduation. Please check with the college or university where the student is interested in attending to determine whether it is advisable for the student to graduate early and wait a year before starting college.

Please submit the transcript (*9th through 1st semester of 12th grades*) to Education Alliance by **March 15**. Students will **NOT** receive a diploma until a transcript is submitted to Education Alliance as well as a copy of the current year's Notice of Intent to Home School form. If the graduate has not completed his/her work for the spring semester, include a list of the classes that are currently being taken and indicate that no final grade has been determined. Academic courses **MUST** be completed within the calendar year in which the diploma is requested. If you have questions, please call us at (501) 978-5503 or e-mail us at lisa@arkansashomeschool.org

d. REGISTRATION AND FEE INFORMATION:

If you did not register online, please return the Registration form found in the back of this packet. This must be filled out completely and

submitted to Education Alliance by the deadline stated. The form may be e-mailed or faxed, but your student is not considered “registered” until payment is received.

e. APPAREL:

Graduates will wear caps and gowns. The cost of the cap, gown and one tassel are included in the registration fee. The cap and gown are navy in color and are cloth, not paper or vinyl. The tassel is navy and old gold. The caps and gowns will be shipped by the U.S. Postal Service to each graduate approximately one month after the registration deadline and is theirs to keep.

No alterations or bedazzling is allowed to the cap and gown. Please keep in mind gowns are to hang between the knee and ankle. Do not hem them. It is important we receive the correct height and weight of student to determine the correct size of the gown.

Underneath the gown, boys are to wear a solid dress shirt with a tie, dark slacks (no jeans) and casual or dress shoes (no tennis shoes, flip flops, or sandals). Girls are to wear a dress or blouse, dress pants/skirt with dress shoes (no jeans, tennis shoes or flip flops). Students are not allowed to alter, change, or add to the cap and gown unless approved by the Education Alliance. No other cords may be worn other than the National Home School Honor Society, Eta Sigma Alpha that Education Alliance is affiliated with. Additional tassels may be ordered for \$10 each and **will be distributed at the rehearsal.**

II. THE DAY OF GRADUATION AND CEREMONY INFORMATION

a. REHEARSAL:

Every graduate must attend rehearsal! This will be the **only** chance you will have to walk through the ceremony with the other graduates. It is very important that you are on time and attend practice. The graduates will rehearse the procedures for graduation. It is important for each graduate to know who they follow, if they lead, where to sit, when to cross the stage, etc. **Rehearsal will be (announced at a later date) and will start promptly at 1:30 p.m. Please be on time. We suggest arriving early to pick up the student packet and find their assigned seat.**

b. SEATING RESERVATIONS:

Seating is open to all on a first come, first serve basis. **Education Alliance staff does not get involved in the reserving of seats.** However, we would like to offer some suggestions. Please recognize that parents of graduates would like to sit in the front sections closer to their graduate. If you have a large group attending, we ask that you be respectful, kind and considerate in your seating arrangements and consider splitting up your group by placing extended family and friends behind the front sections thus allowing space for all parents to sit near their graduate in the front. Thank you for your cooperation.

c. THE CEREMONY:

The graduation ceremony will begin at **4:00 p.m.** with a processional by the graduates. The length of the ceremony will depend on the number of graduates, but the goal is **no more than 2 hours**. The final program has not been determined, but the plans include having a graduate speech and/or performance, invocation and benediction by a graduate,

awarding of diplomas, photos of each graduate and recognition of scholarships and honors. Each of those areas will be discussed separately.

d. GRADUATE SPEECHES AND/OR MUSICAL PERFORMANCES:

Some graduates are interested in giving a speech during graduation or giving the invocation or benediction. Other graduates are interested in singing, playing a musical instrument, or some other type of musical performance. If you are interested in being a graduation speaker or performing, please indicate your interest on the registration form. ***Just by indicating you would like to perform, does not mean you will be performing. You will receive confirmation of your performance.***

Please send us a draft of your speech by **March 15**. You can e-mail the draft to lisa@arkansashomeschool.org OR you can send it by regular mail to 414 S. Pulaski St, Suite 9, Little Rock, AR 72201, OR fax it to (501) 375-7040. If you are interested in some type of musical performance, please send us the name of the selection and a YouTube link, DVD, or CD of any prior performance. **Once again, this does not guarantee you will be speaking or performing.** Chosen participants will be contacted in advance.

When preparing a speech please remember the following guidelines. While it is important to thank friends and family members for their support and encouragement, the speeches should be applicable to **all of the graduates** and not just directed to the speaker's family. **The speeches should be no longer than 3 to 4 minutes.**

Each graduate who submits a draft speech or a performance by the **March 15** deadline will be notified whether he/she has been selected.

If you are selected as a graduation speaker or performer, you will be required to attend a special rehearsal at 1:15 p.m. on the day of graduation. You will give your speech or musical performance during this special rehearsal to make sure you are comfortable with the microphone, the stage and all of the surroundings.

e. INVOCATION AND BENEDICTION:

Graduates will be giving the invocation and the benediction during the graduation ceremony. If you are interested in being selected to give the invocation or benediction please indicate your interest on the registration form. Please send us a draft of your invocation or benediction by **March 15**. You can e-mail the draft to lisa@arkansashomeschool.org OR you can send it by regular mail to 414 S. Pulaski St, Suite 9, Little Rock, AR 72201, OR fax it to (501) 375-7040.

Each graduate who submits a draft by the **March 15** deadline will be notified whether he/she has been selected. **If you are selected to give the invocation or benediction, you will be required to attend a special rehearsal at 1:15 p.m. on the day of graduation.** You will be given the opportunity during this special rehearsal to make sure you are comfortable with the microphone, the stage and all of the surroundings.

f. AWARDING OF DIPLOMAS:

As each graduate crosses the stage to receive his/her diploma, the biographical information will be read. Attached to this packet is a **Biographical Information Sheet** that needs to be *completed* and *returned* to Education Alliance by **March 15**.

g. POWER POINT PRESENTATION/PHOTOS OF GRADUATES:

In addition to the biographical information, **3 photos** of the graduate will be used in several power point presentations that are shown during the ceremony.

Submit by March 15!

The 3 photos should be: (please read carefully)

1. **Photo of graduate from birth** – 7 years old, preferably a baby photo.
2. **Photo of graduate during pre-teen or early teen years** (ages 10-14).
3. **Photo of graduate that is recent (within the past 12 months) such as a graduate portrait in a natural setting.** This does not have to be cap and gown. You will not receive your cap and gown in a timely manner to use in a photo of the graduate.

The guidelines for photo submission are:

- The photos can be color or black and white.
- Please ***do not*** send Selfie/Facebook enhanced photos.
- The Senior Picture will be used when the graduate walks across the stage to receive their diploma.
- Submit appropriate photos
- If you have photographs that you want to mail in, the size does not matter. They will be scanned and then transferred into a power point program. **Put the graduate's name and age on the back of the picture.** Graduate photos will be returned at rehearsal.
- ***(This is the best option)*** digital/scanned photographs. If scanned, please save them as a **j-peg file** and send them by e-mail to arkansashomeschool@gmail.com
The picture looks better if you use a “higher the resolution”.

IMPORTANT PHOTO INFORMATION:

Arkansashomeschool@gmail.com is ***NOT*** the normal Education Alliance e-mail address. Because photo files are so large, we can **only** accept digital photos at this e-mail. If you choose to send your graduate's photos digitally, put the graduate's name in the file name and an indication of the age when the photo was taken.

The Education Alliance Office and the graduation venues reserve the right to reject any photograph that they may deem to be inappropriate. Please think of others when you select your photographs and do not include photos that might be offensive to others either due to ***content or modesty***, for example.

The deadline for submitting photos is March 15. Because Education Alliance is out-sourcing the compilation of the power points used during the ceremony, any photo submitted after that date will not be guaranteed inclusion. **It is important to make arrangements for your child's senior picture to be made in time to submit to The Education Alliance before the deadline of March 15.**

h. SCHOLARSHIP RECOGNITION:

After all students have received their diplomas, Education Alliance allows time in the ceremony to recognize those graduates who have been awarded scholarships to colleges. Please submit all individual scholarship offers (grand total for 4 years) made to your graduate on the biographical information sheet or as soon as you learn of received

scholarships. You may also update your information by sending an email to lisa@arkansashomeschool.org The Education Alliance policy is that any other individual awards or presentations, such as military appointments, are subject to approval for inclusion in the ceremony.

i. HONOR GRADUATE RECOGNITIONS:

We would like to recognize those home school graduates who have excelled academically and should be named honor graduates. If you are not a member, but would like to become a member of Eta Sigma Alpha, please go to our website for an application. **Guidelines for qualifying are set by the Home School Honor Society. You must meet these guidelines to be eligible for cords.**

If you need to order the gold sash please send in the money with your registration fee and indicated already a member.

j. COMMUNITY SERVICE AWARD:

recognize a deserving outstanding senior who has given a lot of their time and talents in serving others.

If your graduate wants to be considered for this award, he/she should complete the Community Service Award Application and submit it to the Education Alliance Office no later than **March 15**. Music Style

If your graduate has a passion for music, make it known. Music takes dedication, hard work and skill and graduates can be recognized for their diligence.

Athletic Style

How many hours have you spent in the bleachers cheering on your graduate or simply watching them practice? Though its generic your student will love seeing how you see them - as a super star!
